

Your Vision Benefits

Protect Your Vision with a No-cost Annual Eye Exam

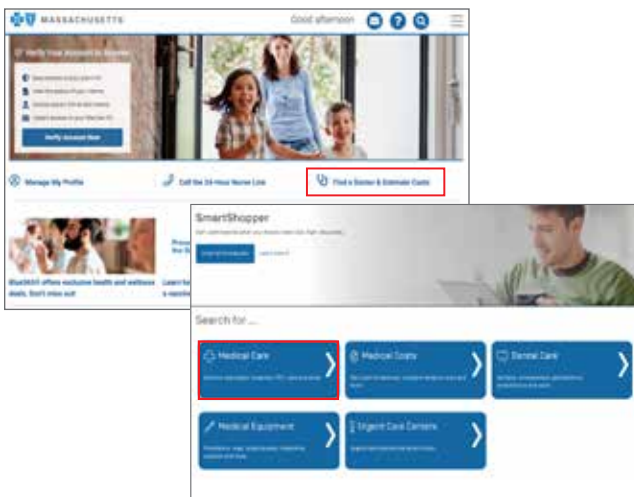

Your plan includes an annual eye exam with an in-network provider, at no additional cost. To find a vision provider near you, use our Find a Doctor & Estimate Costs tool by following the steps below:

How to Find an In-network Eye Doctor

Sign-in to MyBlue

Go to bluecrossma.com/myblue and select log in to MyBlue.

Find a Doctor

Select **Find a Doctor & Estimate Costs** and then select **Medical Care**

Vision

Select **Vision** and then choose **Optometrist** or **Ophthalmologist**

Save on vision care products and services with Blue365®

You can save money on frames, contact lenses, and even LASIK with Blue365. Blue365 offers exclusive health and wellness deals, keeping you healthy and happy, every day of the year. Some deals will give you a coupon code, which you can instantly apply to a product or service, and other deals will bring you directly to a vendor's website to make your discounted purchase or enroll in a special discounted program.

How to save:

1. Visit blue365deals.com
2. Log in or create an account.
3. Select **Browse All Deals** and then check off the **Personal Care** category box to filter the results
4. View the results of your search

An estimated 40 percent of vision loss in the United States is either preventable or treatable with timely intervention.¹
